DETAILED ACTION

Claims **1-10** are currently pending in the application is acknowledged.

Allowable Subject Matter

The following is an examiner's statement of reason for allowance:

Claims **1-10** are allowable over the prior art of record because the prior art of record does not teach or render obvious a semiconductor device comprises, in combination with all other features, a plurality of lower level dummies each including one of an active region dummy formed through said isolation region, a laminated dummy of an active region dummy formed through said isolation region and a gate electrode dummy formed over said active region dummy and a gate electrode dummy formed above said isolation region, wherein each of said local interconnect dummies is disposed so that said local interconnect dummy is not connected to two lower level dummies as recited in independent claim **1**.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
